

HL550

Medical examination head-light

Technology that's clear to see

The **DARAY** HL550 head-light is lightweight and comfortable to use.

With the advantages of LED technology, the HL550 has no heat in the beam and is extremely efficient (can be used for up to 100,000 hours), meaning it is a cost effective head-light.

The LED head-light emits a near-daylight coloured beam ensuring tissue tones are accurately rendered.

- 3W LED
