

We've gone green, why don't you?

X100LED

Minor examination light

The **DARAY** X100LED examination light is the perfect choice for value and performance.

Our LED lighting has been developed to replace halogen completely. Normally, drastic changes like this lead to a compromise but there isn't one!

LEDs (light emitting diodes) have been around for a long time. Recently this technology has become leading-edge in the field of lighting - a breakthrough technological solution to the inherent problems of the incandescent light bulb. We have taken the technology and developed it further to provide high definition lighting solutions with no infrared, high brightness, low environmental impact, low power consumption, no toxic chemicals and a long operating life.

X100LED

Features

- LED light source
- Low total cost of ownership
- Entry level examination light
- 6,000 lux intensity @ 0.5m
- 4,200K colour temperature
- Flexible arm and solid positioning
- Wall, desk, mobile and rail mount options available

Environmentally friendly - our green promise.

- NviroLED has an intense clear white light beam equivalent to 20W halogen whilst consuming only 3.7W.
- 25,000 hours of life from the LED light engine – that's over 12 years of normal clinical use*
- No more bulbs to change - reduces waste by 95% over the light's lifetime.
- LED module contains no halogen, mercury, cadmium, lead or CFCs. No chemicals harmful to the environment.
- Hard-wearing and fully recyclable when the light comes to the end of its life.

*based on 5.5 hours use per day

Specifications

Light source	LED (3.7W)
Light intensity @ 0.5m	6,000 lux
Colour temperature	4,200K
Supply voltage	12V 50Hz plug-top PSU
Arm length	1000m

Mounting options

PIVOTW	Wall mount
PIVOTR	Rail mount
PIVOTD	Desk mount
PIVOTM	Mobile
XRAIL	Medical rail (1m)

ABOUT DARAY

DARAY have been established in the medical, dental and veterinary markets since 1968 building exceptional and durable products.

We shall continue to innovate; aiming to excel in our endeavours to deliver reliable solutions.
