

CC50

Bed-head reading light

Technology that's clear to see

The **DARAY CC50** is a highly efficient bed-head/reading light complimenting the aesthetics of contemporary ward fittings.

Benefiting from a comfortable, anti-flicker light, ideal for reading, the CC50 uses an 11W bulb which is equivalent to a 60W incandescent light, giving 15,000 hours of use.

With wall, desk and rail mount options available; the CC50 is a perfect choice for your patient needs.

- 11W bulb equivalent to 60W incandescent
- 15,000 hours of use
- 2,700K warm, anti-flicker light
- Ideal for reading
